

Past Performance of the First Nominated Horses

2008 Sunday November 30th post time 15:20

Race 10 THE JAPAN CUP G1

TOKYO Racecourse

2400m Turf (left handed),

3 Year Olds and Up,

3YO 55kg, 4YO&Up 57kg,

Fillies & Mares allowed 2kg,

Southern Hemisphere Bred Horses born in 2005 allowed 2kg

Total Value JPY 533,500,000

*exclusive of Stakes Money, inclusive of Participation Incentive Money

*Information as of November 18th

Please note:

*1 Track conditions are described according to Japanese standard which consists of four levels and description may differ from that of the country where the race was run.

Four levels: Turf - firm, good, yielding, soft Dirt - standard, good, muddy, sloppy

*2 The column "Breeder" used to indicate "breeding farm" until Dec 2006, however, from Jan 2007 it indicates "broodmare's owner".

Due to this modification in the database, NOT all of the Breeder data are available.

*3 Margin is described in terms of time difference (seconds) for Japanese races.

For most of the foreign races it is in terms of length, but in some cases the fractions may be adjusted (eg. 9 3/4 Lg --> 10 Lg).

*4 "Total Money Earned in JRA races" includes Stakes Money but does not include Participation Incentive Money.

Admire Monarch(JPN)
