### Chak Yiu Ho (Hong Kong)

“First of all, I would like to thank the JRA for inviting me. I am grateful to be competing against the other top jockeys in Japan and around the world and I will do my best.”

“I feel very good now, I've recovered well, I'm back in action for quite a long time already. I'm happy to get back to riding and coming here to Japan to ride again. It's a good experience and most importantly as a jockey, I enjoy riding races. I rode in Sapporo once in 2022 and it was nice—a little bit like Happy Valley but a straight track and flat. It's a good track and I'm looking forward to riding there.”

## Joao Moreira (Brazil)

“It’s always an honor to be a part of such a great event. I’ve been involved with this sort of competition a number of times and it hasn’t changed at all. It’s always a pleasure and we are all going to be doing our best to put on a great show to our fans so thank you for that.”

“According to the new criteria, if I finish in the top five in this series, I will be able to obtain a three-month short-term license for the next two years, which I’ve been chasing with all my strength, so obviously this competition is very important to me since I wasn’t able to win two G1 races this spring, but I’m not giving up. I’m very excited to ride on Saturday and on Sunday as well.”

## Tadhg O'Shea (United Arab Emirates)

“It’s a privilege to be invited by the JRA and I’m really looking forward to participating for the first time in this great event and some wonderful jockeys are on display. It’s going to be very exciting and hopefully I can do myself, Dubai and the United Arab Emirates proud.”

“It’s my second time to come to Japan. Obviously, I was given a short-term license from the JRA in May and June. It was a very good experience at Tokyo Racecourse. I had six winners in many rides but it was a learning experience as it’s different from what we’re used to in Dubai. It’s a new challenge in Sapporo, at a new track, and I hope to represent Dubai and myself very good.”
