3. ARF Study Programs

Training programs for personnel from the Asian Racing Federation to introduce Japan’s horse racing system and provide opportunities to promote exchange of information and international goodwill among member countries. Courses are divided into regular and specialized study programs. Over 400 participants have attended this program to date.

4. Publication of Stud Book

JAIRS publishes all breeding records in Japan, as well as import and export of horses, on the internet as Japanese Stud Book Database.

5. Naming

Upon receipt of application, JAIRS examines proposed names according to international and domestic rules and determines the name of the horse.
