How Multiple Formation works

- Place any number of marks in each section.
- Overlapping combinations will be counted as a single combination.
- Place at least one mark in the "1st" and "2nd" sections for Bracket Quinella, Quinella, Exacta and Quinella Place, and in all sections for Trio and Trifecta.
- In Bracket Quinella, mark the same bracket number for "1st" and "2nd" to bet on two horses in the same bracket.

Purchasing bets is easy when you use the automatic vending machines.

Just insert your money and betting slips.

But first – please check to make sure your slips are marked correctly.

If the marks on the slips are unclear (e.g. marks crossing into neighboring sections or these which are circled) the machine cannot read them. Luminous pens and oil-based pens that mark through to the other side will also may cause errors.

Payouts are also easy using automatic payout machines

Just insert your winning betting tickets into the slot. Your winnings will be issued automatically.
